

## **BLEED GREEN**

Maintenance team had made an in house sealing machine for pouches which has been replaced manual checking that varies man to man in final checking of sealing integrity. Now testing procedure has been standardized and universal for all.

## **TRAILBLAZER**

**Pearlised BOPP LABELS** We have introduced a new category i.e, Pearlised BOPP labels for packaged drinking water. This will enhance the customer base as well as business scope. The entire team has given the best efforts to launch this category by overcoming the challenges.

## **SHOUT-OUT**

In this edition, we would like to thank our team members for their active participation in the First Aid Training program conducted by National Institute of Fire Engineering & Safety Management (Guwahati Center).

## **THE SOCIAL NETWORK**

An annual general health check-up was conducted for each individual of the team to ensure their wellness.

## **SPOTLIGHT**

We would like to congratulate Mr. Soyan Kumar Hajong, Senior Operator of Slitting department who had completed 16 years with our Team this quarter. We thank him for his relentless service for this organisation and hope to be associated with us for many more years.

## BEACON

I joined in April 2007 as a QC in charge at Manjushree Polypacks Pvt Ltd. It has almost 15 years I have been associated with Manjushree. Along with the company I have also grown up in this journey of success. I can't express my thanks & gratitude to our organization, except to say that I can't think of myself outside Manjushree. I wish tremendous growth of our organization in the upcoming days promising my devoted service towards the organization. Thank you all for kind support and co-operation!

**-Jyotisma Devi**  
Manager, New Product Development

## BOND STRENGTH

Fit Rahega Manjushree, an initiative by Team Manjushree to keep the team motivated, engaged, healthy and happy. We hope this wellness programme will lead to efficient work culture and improvement in organizational performance.

## REPORT CARD

Our director Mr. Puneet Agarwal has received the highest recognition for excellence in packaging in India, INDIASTAR 2020 on behalf of Team Manjushree for Axom Tales Makhana Pouch held at IIP function, Mumbai.

## TRENDS

Manjushree strongly believes in providing high quality, value added products customers. In line with that, we invest in the latest technologies to keep ourselves up to date with the latest market requirements and trends. This helps us fulfill our customer requirements with expected quality and value, simultaneously, we also grow mutually with our customers. We try to improve the customer experience while improving the board quality and reducing waste. Our aim has always been to provide our customers with the best quality products possible.

## TESTIMONIALS

Pleasantly surprised to see the standard maintained. Wish the best to the unit for a glorious future.
