

TRAILBLAZER

Piccolo candy inner laminate: This product has been developed for Dharampal Premchand Ltd (BABA). We have introduced a new as well as challenging structure in the confectionery field. The laminate could resist high machine speed i.e, 800 pcs/min due to its specific structure. The procurement, Quality checking as well as the machinability takes a vital roll during introducing this structure.

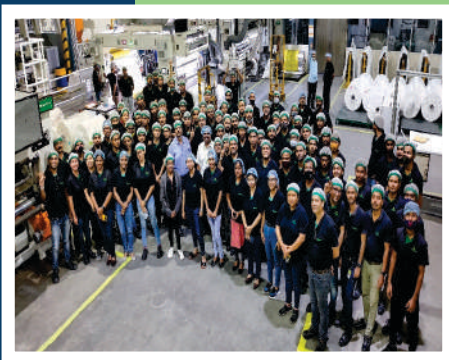

THE SOCIAL NETWORK

In the last financial year, Manjushree chose to contribute to our children's community as they are the future of our nation. This is our social responsibility towards the development of children and we are glad that our organization had initiated it.

SPOTLIGHT

We would like to congratulate Mr. Rama Kanta Hajong, Senior Operator of Pouching department who had completed 13 years with our Team this quarter. We thank him for his relentless service for this organisation and hope to be associated with us for many more years.

SHOUT-OUT

We have successfully cleared the BRCGS Recertification Audit with rating "A". This has been a wonderful achievement contributed by all team members.

BOND STRENGTH

This Women's Day, Team Manjushree tried to bring out the beautiful, hardworking & strong ladies of the team to celebrate this day together. Manjushree wishes all the female employees for being strong, independent, bold & passionate and hope through this small celebration there could be more confidence in our women & also wish to support each other through thick & thin.
