THE SOCIAL NETWORK

We recently embarked on a series of initiatives to celebrate the 75th Independence Day of our great nation. With Har Ghar Tiranga campaign, we distributed National flags to nearby schools, streets, government offices, police stations, and passer-bys, spreading the essence of patriotism far and wide. Additionally, a vibrant cultural program was organised at the company premises, further adding to the fervor of the celebrations.

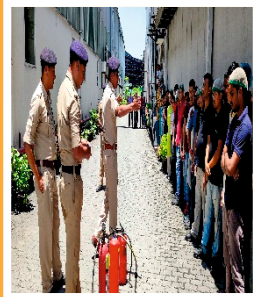

Team Manjushree demonstrates a strong commitment to social responsibility and a willingness to support those in need. Kudos to our directors Mr. Dinesh Kumar Mour and Mr. Puneet Agarwal and the entire Team's initiative for the efforts in supporting the CM relief fund and helping the flood-affected people during this challenging time.
