

# Manjushree Wrap-up

## TRAILBLAZER

In today's supermarket concept packaging potato's is an innovative idea of Manjushree team. This pack gives uniqueness to the product. Good printing quality with perforated holes on pack to retain the freshness as well as to prevent rotting of potato's. Considering emerging market need this pack is also made recyclable.

## THE SOCIAL NETWORK

We would like to thank our team members for participating in the BLOOD DONATION CAMP held on 21-08-2021 (Saturday). The donation done by our team members will help many lives and so is appreciated time and time again. It is our duty to spread awareness & humanity in the world of donating some amount of blood that can save a person's life. Manjushree always encourage their team members to work for a good cause.

## BOND STRENGTH

This year at Manjushree, along with Shri Shri Vishwakarma Puja celebration, a felicitation event was organized to congratulate and to encourage team members showing exemplify work and were felicitated with Appreciation Certificates.

## SHOUT-OUT

Manjushree Innovations Pvt Ltd (MIPL) and Kakarania Innovative Systems Pvt Ltd (KISPL) have been qualified SEDEX Audit. The assessment was done by external certification body SGS and found to be inline with all SMETA audit requirement.

## TRENDS

As a leading player of the entire North-East in the field of flexible packaging, Manjushree received good response as a supplier to the sectors of essential goods and commodities. Hence, right from the beginning of the lock down it was continuously in running process and will always be in the process to meet the needs of the customers. Manjushree aspires to introduce various modifications and innovations of existing machines so that it could open the gate for the company to become a global packaging supplier for the new categories.

## REPORT CARD

A few words of enthusiasm by our Director Mr. Shekhar Agarwal, sharing some inside challenges and mantras; how to carry forward the business. Also shares the enthusiastic efforts made by Manjushree group for local people of North-East. The program was conducted and published by well-known industry personality Nidhi Verma, Founder & MD of Elite Plus Business Services under the theme "Insights with Nidhi Verma - The toolkit for steering your business through this pandemic".

## BEACON

मैं 2007 सितंबर में मंजुश्री से जुड़ा था | उस समय मैं सीनियर ऑपरेटर के तौर पर लेमिनेशन विभाग में कार्य करने के लिए भर्ती हुआ था | कंपनी में कार्य करके तथा कंपनी की नीति देख कर मुझे काफी अच्छा लगा था | कंपनी के सभी नीतियां कर्मचारियों के लिये काफी अच्छी है | 2008 से हमने काफी अच्छा कार्य तथा मेहनत किया | 2013 में मुझे कंपनी के ऑपरेटर से वरिष्ठ पर्यवेक्षक बनाया गया तथा उसी प्रकार से कार्य के ज़िम्मेदारी भी बढ़ाई गई जिससे कार्य करने में अच्छा लगता है और उसी तरह कंपनी का कार्य करते हुए आगे बढ़ेंगे |

-मदनलाल

## BLEED GREEN

The curing room material stacking has been redesigned for storage and curing process with multistory racks installation.

## TESTIMONIALS

Very well maintained neat & clean plant with process automation to the extent possible and management approach towards customer based. Process improvement is appreciable.

## SPOTLIGHT

In this edition we would like to congratulate Mr Gajendra Nath Das, Sr Operator of Solvent Less/Base Lamination who had completed 15 years with our Team this quarter. We thank him for his relentless service for this organisation, and hope to be associated with us for many more years.
